1. CUSTOMER SUPPORT

1.1 SUPPORT SCOPE. Customer support is provided to resolve defects causing a nonconformity in the Subscription Service as compared to the Product Overview (“Customer Support”). If Customer chooses to purchase such supplemental services, the applicable additional terms and conditions will be reflected in the applicable package description referenced in Customer’s associated ordering document.

1.3 CUSTOMER SUPPORT ACCESS. Customer Support is available Monday through Friday, excluding local holidays, 7:00AM to 7:00PM Local Time via the support portal <https://support.servicenow.com/now> (“Support Portal”). Local Time for access to Customer Support means the designated Customer Support window when ServiceNow technical Support personnel will be addressing Customer’s cases for the purposes of the Target Level of Effort. ServiceNow will provide visibility to Customer to Local Time within the Support Portal.

1.6.2. Customer shall be responsible for making appropriate personnel, including Customer’s Security Contact, available continuously as needed in the event of a breach as set forth in the data security, data privacy and processing, or other applicable terms in Customer’s underlying Agreement.

2. AVAILABILITY SLA

If Customer’s production instance of the Subscription Service is Available less than 99.8% during a calendar month, Customer’s exclusive remedy is to request ServiceNow issue a service credit (“**Service Credit**”) to Customer for the dollar value of the number of minutes the Subscription Service was not Available in the month. Service Credits are determined at the deemed per-minute rate ServiceNow charges to Customer for Customer’s use of the affected Subscription Service. Customer may request ServiceNow apply a Service Credit to the next invoice for subscription fees. Customer must request all Service Credits in writing to ServiceNow within 30 days of the end of the month in which the Availability SLA was not met. ServiceNow may delay issuing service credits until such amounts reach \$1,000 USD or equivalent currency specified in the applicable Order Form.

“**Available**” means the production instance of the Subscription Service can be accessed by authorized users during a calendar month, excluding Excused Downtime.

“**Excused Downtime**” means: **(a)** Maintenance Time of up to two hours per month; and **(b)** any time the Subscription Service is not Available due to circumstances beyond ServiceNow’s control, including modifications of the Subscription Service by any person other than ServiceNow or a person acting at ServiceNow’s direction, a Force Majeure Event, general Internet outages, failure of Customer’s infrastructure or connectivity (including direct connectivity and virtual private network (“**VPN**”) connectivity to the Subscription Service), computer and telecommunications failures and delays, and network intrusions or denial-of-service or other criminal attacks.

“**Infrastructure Modification**” means repairs, maintenance, improvements, or changes to the cloud infrastructure used by ServiceNow to operate and deliver the Subscription Service. ServiceNow will give Customer 10 days’ prior notice of an Infrastructure Modification if ServiceNow, in its reasonable judgment, believes that the Infrastructure Modification will impact Customer’s use of its production instances of the Subscription Service, unless, in the reasonable judgment of ServiceNow, the Infrastructure Modification is necessary to: **(a)** maintain the availability, security, or performance of the Subscription Service; **(b)** comply with Law; or **(c)** avoid infringement or misappropriation of third-party IPR.

“**Maintenance Time**” means the time the Subscription Service is not Available due to an Infrastructure Modification, Upgrade, or Update.

A Customer using a Supported Release Family may be required to apply a Critical Update within the Supported Release Family.
