

U.S. Political Contributions and Industry Association Memberships Calendar Year 2022

This report outlines the political contributions and expenditures of ServiceNow during the 2022 calendar year.

Political Contributions

In 2022, ServiceNow made no direct corporate political contributions in the U.S. to any candidate, political party or ballot initiative or campaign, political action committee or 527 organization.

Industry Association Memberships

ServiceNow is a member of the industry associations identified below, which allocate a percentage of their membership dues for political purposes. Our membership in and payments to industry associations do not mean we share or agree with all of the views advocated by these associations. The conduct of these associations is governed by their respective bylaws, and we do not control how they use our membership dues.

Industry Association	Membership Dues	Used for Political Purposes
Australian Information Industry Association	\$30,000	100%
Business Roundtable	\$300,000	60%
Business Software Alliance	\$500,000	25%
Information Technology Industry Council	\$125,000	17.5%
National Association of Manufacturers	\$59,000	20%
National Cybersecurity Alliance	\$30,000	33.3%

Donations to 501(c)(4) Organizations

ServiceNow has not made any donations to any entity operating under Internal Revenue Code section 501(c)(4) that may be used for political purposes.
